

HYS Resource Menu

This menu compiles all the training materials and tools that are available on AskHYS.net. These resources can be used to navigate this website and use of HYS data.

Training Materials		
HYS Resource & Link	Format	Description
HYS Interpretive Guide https://www.askhys.net/Reports/InterpretiveGuide	PDF (20 pages)	Provides information that will help those involved in local program planning make the most of their survey results. Includes an overview of statistical considerations, local reports, and ways to use local data.
HYS Regional Workshop – Using your HYS Results, recorded full HYS Training (2:45:37) https://www.youtube.com/watch?v=uf-FZgK5U6E	Video	This is an in-depth training of how to use AskHYS.net and access HYS results. This training workshop includes step-by-step instructions on how to navigate the HYS website, results, and resources.
What is AskHYS.net (3:58) https://www.askhys.net/Docs/Videos/What%20is%20AskHYS.htm	Video	A snapshot explanation on how to navigate the AskHYS.net website. Includes a high-level overview of what survey results and resources are available on the website.
Do I need to Log On? (3:01) https://www.askhys.net/Docs/Videos/Do%20I%20Need%20to%20Log%20On.htm	Video	An overview of when AskHYS.net log-on access is necessary, and how to create a log-on.
What is a Fact Sheet (2:22) https://www.askhys.net/Docs/Videos/What%20is%20a%20Fact%20Sheet.htm	Video	A snapshot overview of HYS Fact Sheets. Fact Sheets are one way to access HYS results.
Generating a Fact Sheet (5:04) https://www.askhys.net/Docs/Videos/Generating%20a%20FactSheet.htm	Video	A step-by-step overview of how to an HYS Fact Sheet, and what is included on a Fact Sheet.
Fact Sheet Content (0:33) https://www.askhys.net/Docs/Videos/Fact%20Sheet%20Content.htm	Video	Information on how to find out which survey questions and survey forms correspond with Fact Sheet results.
What is a Frequency Report (3:43) https://www.askhys.net/Docs/Videos/What%20is%20a%20Frequency%20Report.htm	Video	A snapshot of HYS Frequency Reports. Information on what data is available in Frequency Reports and how to navigate the content within the Frequency Reports.

Opening a Frequency Report (4:10) https://www.askhys.net/Docs/Videos/Opening%20a%20Frequency%20Report.htm	Video	A step-by-step overview of how to run a Frequency Report from AskHYS.net. Details provided on what data is available through Frequency Report.
What are Additional Reports (1:18) https://www.askhys.net/Docs/Videos/What%20Are%20Additional%20Reports.htm	Video	An overview of what report documents are available on AskHYS.net. Additional reports can be helpful in understanding HYS methodologies.
What is the Q x Q (1:46) https://www.askhys.net/Docs/Videos/What%20is%20the%20Q%20x%20Q.htm	Video	A snapshot overview of using the Q x Q tool. This tool is used to cross tabulate two HYS survey variables to see how they interact.
Interpreting the Q x Q (2:32) https://www.askhys.net/Docs/Videos/Interpreting%20the%20Q%20x%20Q.htm	Video	Detailed instructions on how to use the Q x Q tool, and how to understand the results. This tool is used to cross tabulate two HYS survey variables to see how they interact.
Crosstab Limitations (4:27) https://www.askhys.net/Docs/Videos/Crosstabs%20and%20Limitations.htm	Video	When using the Q x Q tool, some limitations may arise - Especially if there was a small number of students who completed a survey question, and/or if a survey question is not on each HYS survey form. This video explains those limitations.

Helpful Tools		
HYS Resource & Link	Format	Description
Template for HYS Charts https://www.askhys.net/Docs/Template%20for%20HYS%20Charts%205-7-2019.xlsx	Excel file	A template to create standardized HYS charts. Users can enter data, titles, location and more into sheet to create localized data charts.
Tool for Determining HYS Statistical Significance https://www.askhys.net/Docs/HYS%20Tool%20for%20Determining%20Statistical%20Significance.xls	Excel File	A tool to determine if two survey results are different from another. Enter the percentage and confidence interval for two results to test for statistical significance.
Analysis Manual https://www.askhys.net/Docs/Analysis%20Manual%20for%202018%2012-5-19%20final.pdf	PDF (147 pages)	Establishes standard methods for simple frequency and crosstab analysis of Healthy Youth Survey data. Supports STATA programming of HYS analysis.
