### Additional Survey Responses Added to Results 6/18/2026

There were a few schools that took the HYS outside of the timeframe that they selected on their registration form. Normally, those surveys would be dropped if they were outside the data range. We reviewed all of those survey responses and noticed the 7th and 8th grade results for Ocosta Junior - Senior High looked legitimate, so we intended to overwrite the normal procedure and keep those responses. Unfortunately, that code wasn't processed correctly and the results were removed. A total of 80 Grade 6, 49 Grade 7, 316 Grade 8, 49 Grade 9, 307 Grade 10, 59 Grade 11, and 45 Grade 12 responses were added (a total of 865 responses).

### **Corrections to Friday Harbor High School, San Juan School District, San Juan County, and ESD 189**

Results for Friday Harbor High School (school number 2879) were missing surveys from 49 Grade 9, 60 Grade 10, 59 Grade 11, and 45 Grade 12 respondents. Survey answer sheets were processed, and the 2025 results were updated. The update affects the following results:

- Friday Harbor High School Grade 9, Grade 10, Grade 11, Grade 12, and Combined High School results
- San Juan Island School District Grade 9, Grade 10, Grade 11, Grade 12, and Combined High School results
